Elbow pump

Make fists with both hands. Lift elbows out to the sides so the fists come together, knuckles close to your face and arms at shoulder level. Push forearms away from you.
**Windshield wipers**

Open the hands, fingers spread wide and palms facing away. With elbows bent, move both hands in front of the face from side to side, like windshield wipers.
Helicopter

Make a fist with one hand. Lift that hand above your head and circle it in the air.

Volleyball

Jump up with both hands above your head as if you were returning a volleyball over the net.
**Jump-clap**

With feet together, jump up and clap your hands as your feet touch the ground again.
Double-out, Double-in

Start with feet together. Step out to the right side with the right foot and then out to the left side with the left foot, so you are now standing with the feet apart. Then step the right foot in and then step the left foot in, so that you’re standing with the feet together again.
**Football player**

Bend forward slightly from the waist. Run in place on tiptoes to a count of four, letting your arms hang loose. Stand straight and then arch back slightly from the waist. Run in place on tiptoes to a count of four, letting your arms hang loose.
