

Not So THE SWEET TRUTH

CHALLENGE

Sweet! Guess which drink has the most sugar. Scratch off 4 on the bottle that has the most, 3 on the next, then 2, then 1, for the least. Make sure you only scratch one circle per bottle! You'll know you're right if you see green! Good Luck!

TRIVIA

Imagine how much sugar you consume in one year?

- bathroom full
- swimming pool full
- shoe box full
- football field full

* Average for this type of drink.

FACTOID

Who drinks more sugar each year: girls or boys?

Uh no boys - you have the sweeter tooth! Each year, boys drink 1000 cups of sugar, while girls drink about 900 cups of sugar.
